MYSTERIES!

The Nervous System the Seat of Life and Mind. Recent Wonderful Discoveries.

Mystery has ever compared with that of human life. It has been the leading subject of professional research and study in all ages. But notwithstanding this fact it is not generally known that the seat of life is located in the upper part of the spinal cord, near the base of the brain, and so sensitive is this portion of the nervous system that even the prick of a needle will cause instant death.

Recent discoveries have demonstrated that all the organs of the body are under the control of the nerve centers, located in or near the base of the brain, and that when these are deranged the organs which they supply with nerve fluid are also deranged. When it is remembered that a serious injury to the spinal cord will cause paralysis of the body below the injured point, because the nerve force is prevented by the injury from reaching the paralyzed portion, it will be understood how the derangement of the nerve centers will cause the derangement of the various organs which they supply with nerve force.

To-thirds of chronic diseases are due to the imperfect action of the nerve centers at the base of the brain, not from a derangement of the organs themselves, but from the derangement of the nerve centers which control them. The great mistake of physicians in treating these diseases is that they treat the organs rather than the nerve centers which are the cause of the trouble.

DR. HANKINSON, the celebrated specialist, has profoundly studied this subject for over twenty years, and has made many important discoveries in connection with it, chief among them being the facts contained in the above statement, and that the ordinary methods of treatment are wrong. All headache, dizziness, nervousness, confusion, pressure, blues, mania, melancholy, insanity, epilepsy, St. Vitus dance, etc., are nervous diseases no matter how caused. The wonderful success of Dr. H. Restorative Nerve is due to the fact that it is based on the foregoing principle. DR. H. RESTORATIVE NERVE is sold by all druggists on a positive guarantee, or sent direct by Dr. H. RESTORATIVE NERVE CO., Elkhart, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid. It contains neither opiates nor dangerous drugs.

THE SILVER PLATFORM.

The silver wing of the Republi-

can State Convention unanimously

adopted the following platform:

The convention endorses and

adopts the platform of the Republi-

can State Convention, held at Va-

city on the 30 of April last, as fol-

lows:

Resolved, That we condemn the

Republican party of the Eastern

states and the administration of

President Harrison, insofar as they

have failed to accomplish the com-

plete remonetization of silver, and

to enact laws providing for the

free and unrestricted coinage of

that metal.

Resolved, That the restoration

of silver to the place it occupied

previous to the passage of the

Mint Act of 1873, is essential to

the prosperity of the country and

paramount to all other political

considerations. The legislation

which robbed silver of its money

functions and denied to the owner

of silver bullion the right to have

the same coined into money upon

the same terms and conditions

which apply to the coinage of gold,

reduced the money of ultimate re-

demption or payment, about one-

half, and enabled the owners of

money and obligations payable in

money to monopolize the coin of

the commercial world.

Resolved, That the people of

Nevada are in favor of the coin-

age of silver upon the same con-

ditions which apply to the coinage

of gold, and they are opposed to

elevating any person to office who

is not known to be unequivocally

in favor of opening the Mints of

the United States to the free and

unlimited coinage of silver.

In view of the unsatisfactory at-

titude of President Harrison to the

paramount issue of the remonet-

ization of silver, this convention

will make no nominations for Pres-

idential electors and the State Cen-

tral Committee to be appointed by

this Convention shall have no au-

thority to put in nomination elec-

tors.

The Convention cordially en-

dorses the vigorous efforts of our

Senators and Representatives to

secure the free and unlimited coin-

age of silver, and the educational

work that they have done in pre-

senting the true issue between the

money powers and the bondhold-

ers and laborers and producers of
